

# JOIN THE FLOCK!

First Commerce Credit Union and the SGMC Foundation invite you to participate in the #FlamingoChallenge during Breast Cancer Awareness Month in October. The #FlamingoChallenge uses flocks of pink yard flamingos, flamingo-flock yard signs and the power of social media to raise funds in support of patients receiving care at South Georgia Medical Center. The best part is that every dollar raised stays local!

Funds raised through the #FlamingoChallenge go directly to the Pearlman Cancer Center Breast Cancer Fund, which directly benefits local breast cancer patients, including those at higher risk of developing breast cancer.

## Your participation makes a difference in the lives of cancer patients

Here are a few examples of the way your donation will help.

- Community outreach, educational materials, and breast cancer awareness
  - Breast Prosthesis for a patient who has had a mastectomy
- Lymphedema sleeve to relieve pain and stiffness caused by fluid buildup

**To claim your flock, contact Hilary Willis at 229.433.1076 or [hilary.willis@sgmc.org](mailto:hilary.willis@sgmc.org). For more information about the #FlamingoChallenge visit [FirstCommerceCU.org/Flamingo](http://FirstCommerceCU.org/Flamingo)**

The #FlamingoChallenge kicks off Thursday October 5th and runs throughout the month of October.

**Call or email to reserve your flock of flamingos today!**
